

make your own Origami SUPER-DOG

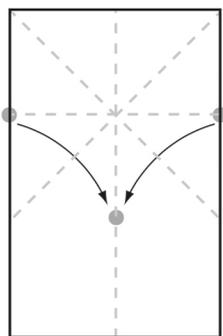

1 Fold in half to get a rectangular piece of paper

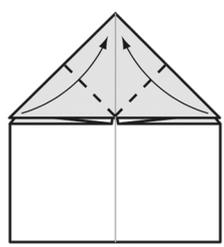

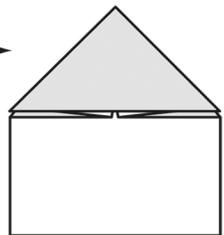

2 Fold in half again

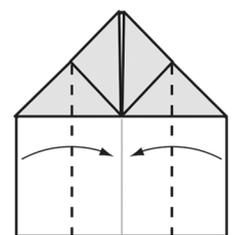

3 fold each corner down to the opposite edge of the paper

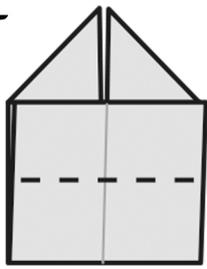

4 fold in the lines. Bring these points to the centre point. The creases should do most of the work

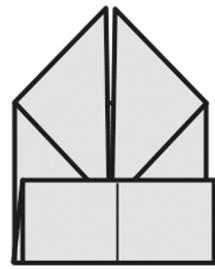

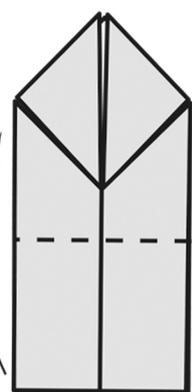

5 fold the under triangles up to the top point

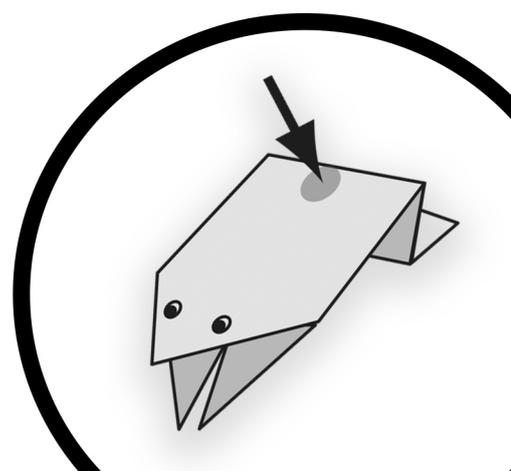

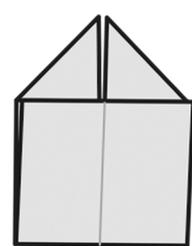

6 fold the sides into the centre line

7 fold the bottom upwards so that the end sits in the middle of the diamond

8 now fold the same part in half, in a downwards direction
