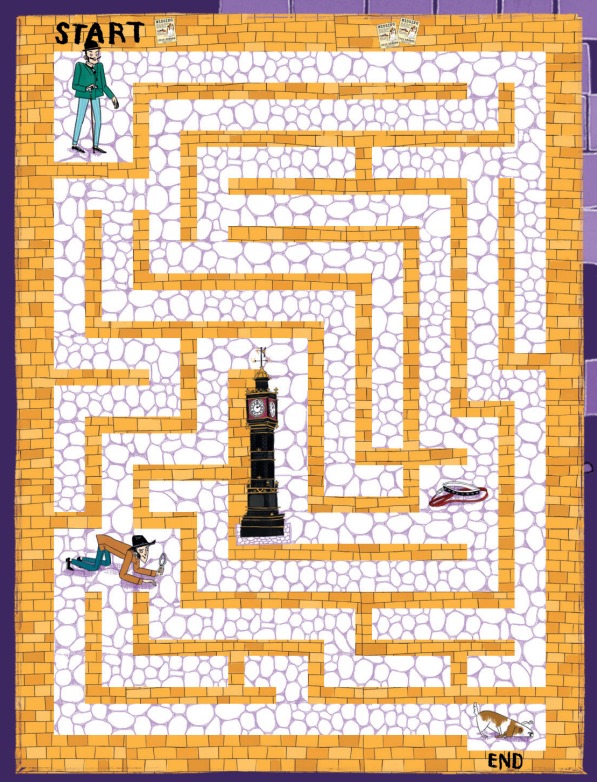
Watson is looking for Toby – can you draw a path to help him? Make sure you pick up the dog collar and Sherlock Holmes on the way!



Meet Sherlock Holmes and Doctor John Watson – the original crime-fighting duo. They can be found at some of Europe's most interesting crime scenes. Sherlock's detective work solves problems that baffle the brainiest of police inspectors, and Watson is always there to help his friend and write about their adventures.

Toby has gone missing! Can you find him hiding in this scene?

Someone has been messing with Watson's posters. Can you spot the 5 differences?

Do you know in which book Toby helps Sherlock and Watson?
