## Plot Sequencing

The Montagues and Capulets are warned that they will pay with their lives if the street fights continue.

Romeo and Juliet marry at Friar Lawrence's church the next afternoon. Romeo later gets into a fight with Tybalt and is banished from Verona.

Romeo learns of Juliet's death and returns to Verona. Unaware of her plan, Romeo drinks some poison and dies laying beside her.

Romeo sneaks back to the Capulet household and spends the night talking to Juliet. They fall even more in love.

Romeo discovers that the girl is Juliet Capulet, the daughter of his rival family.

Romeo sneaks into a masquerade party at the Capulet house and falls in love with a beautiful girl.

When Juliet awakens, she sees Romeo lying dead beside her. She stabs herself with his dagger and falls dead beside him.

When Juliet's father arranges her marriage to Paris, Friar Lawrence gives her a potion that will make her seem dead.
